## HOW TO USE QUICKSCREEN DRUG TESTS IN 3 EASY STEPS

# QuickScreen Drug Tests

### OVER 99% ACCURACY

QuickScreen Drug Tests uses competitive assay technology, combining antibodies and gold conjugates onto a 5 millimeter test strip using a specialized coating membrane to ensure the highest level of accuracy.

### FAST AND EASY TO USE

QuickScreen drug test is the easiest drug test you can use. QuickScreen drug tests are all one piece; that means no moving parts and no tilting required, reducing the risk of exposure; just collect the sample and read results minutes later!

### MADE FOR EVERYONE

It is made to be easy to use for someone who has never drug tested in their life, but also reliable enough to be trusted by industry and medical professionals. QuickScreen drug tests are used from parents to hospital directors.

### MADE IN THE USA

QuickScreen Drug Tests are made in San Diego, California by an FDA registered and ISO certified manufacturer; we use results from our SAMHSA, CLIA, and CAP licensed laboratory to ensure that our devices meet the highest levels of accuracy.
